ISO 9001: 2015 CERTIFICATION

Groupama Immobilier's quality management certificate was renewed on 16 December 2016, according to the criteria of the revised ISO 9001: 2015 standard. This certification is proof of the company's good understanding of business stakes, our effective control of risks and the attention we pay to our main stakeholders' needs and expectations, across all lines of work.

Groupama Immobilier owes this certification to our employees' dedication and to our collective commitment to quality, which strengthens our relationships with our customers by always seeking to satisfy them.
