PRESS RELEASE

Groupama Immobilier temporarily moves to 150 avenue des Champs-Élysées

On 1 July 2017, Groupama Immobilier's teams left 21 boulevard Malesherbes (in Paris's 8th *arrondissement*) to a temporary new head office at 150 avenue des Champs-Élysées.

Groupama Immobilier's 130 employees will work in flex-office mode in premises covering nearly 2,000 m² (21,000 sq. feet).

The "150 Champs-Élysées" building is a large-scale, mixed development operation led by Groupama Immobilier. It will include a luxury hotel, a next-generation cinema and a flagship shop that will be unique in the world.

Prior to its delivery in 2020, this high-potential location – in the immediate vicinity of the Arc de Triomphe – also provides a temporary home to the Impulse Partners start-up incubator and the Immowell Lab, dedicated to innovation in real estate.
