## PRESS RELEASE

### Groupama Immobilier rented out 100% of SO SQUARE OPERA PARIS's offices

Intellectual property law specialists Bardehle Pagenberg chose SO SQUARE OPERA to set up its future offices, covering almost 1,000 m<sup>2</sup> (11,000 sq. feet). The firm will move in October 2017.

Much like VITRA and No Com, Bardehle Pagenberg was no doubt delighted by the unique working environment, which reflects the brand image sought by its future users.

Functional and filled with daylight, the workspaces have been redesigned to optimise surface areas and user comfort. They aim both to adapt to contemporary work practices and to respect the historical element and the DNA of the building, a fundamental principle for Groupama Immobilier.

This 20,000 m<sup>2</sup> (215,000 sq. feet), well-preserved block is located in the heart of the 9<sup>th</sup> *arrondissement* of Paris. So Square Opéra Paris now boasts a new image that, combined with far-reaching works, gives it a new vitality and turns it into a real living environment.

The renovation programme was designed by PERROT RICHARD and ARTE CHARPENTIER. The last instalment will be delivered next fall.

Groupama Immobilier was advised by Alex Bolton for this operation.
